

Washington D C
March 10/88

Mrs J C Booth
Harvard College
Dear Madam.

I merely write to
say that I am making
progress with the bill for
Mr Booth's relief in the
matter of the stolen silver bars
and that I feel certain of
getting the bill through both
Houses of Congress this Session
and without any further expense
to you. I hope Mr Booth's
health has improved

Very truly
R. C. Preston
